Your collector vehicle may be exclusive... but our program is inclusive.

Whether it's for a new car, classic car or a prized collection, the National Corvette Museum and American Modern have one of the most inclusive collector vehicle programs in the industry.

	Policy Feature	What You Should Know
Eligibility	Broad Usage	It's a nice day and you want to take the vehicle out. We won't restrict you from enjoying your passion. We have fewer usage restrictions than most companies.
Loss Settlement	Agreed Value	Once we agree on a value for your prized possession, that's what you'll get in the event of a total loss. No depreciation or questioning the vehicle's value.
Included Coverage	Unlimited Miles	We don't believe in "one size fits all". We have four annual mileage plans including unlimited miles. Pick the plan that best fits your vehicle use and save money. (1,000, 3,000, 6,000 or unlimited) Plus we offer rollover miles.
	One Liability Charge	While most standard auto companies charge liability for every vehicle on the policy, we charge one flat rate regardless of the number of vehicles on the policy, saving you money.
	Spare Parts	We include \$2,000 for lost or stolen spare parts.
	Towing	We include \$75 to cover towing costs.
	Trip Interruption Coverage	We'll pay up to \$600 for transportation, lodging and expenses if your vehicle becomes disabled more than 50 miles from home.
	Pet Coverage	Coverage if a pet is injured during an accident.
Optional Coverage	Enhanced Towing	Expands towing coverage to \$200 per occurrence and enrolls your vehicle into our National Roadside Assistance program.
	Full Safety Glass	We waive the deductible if a windshield requires replacement and there is no other vehicle damage.
	Foreign Coverage	This coverage option will cover the vehicle in transit and while you drive overseas.

Not all coverages, options or discounts are available on policies in all states.
